# COLLEGE TOURS! 2,100 STUDENTS

*Lowering Barriers, Changing Lives, Leveling the Playing Field*

COLLEGEBOUND FOUNDATION

Press Release

CollegeBound's 2004 "Road Trips" to colleges and university campuses was a life changing experience for many CollegeBound advised students. Whether our students were touring colleges on Maryland's Eastern Shore or on a more exotic adventure to colleges such as Dickinson, Tuskegee, William and Mary and Duke, spending a day on a college campus opened a world of unimaginable educational opportunities.

Many of these students are the first in their family to be encouraged to pursue a college education and until provided access to real-life college experiences, too many had not believed that college was an achievable goal.

*"**CollegeBound** - placing Baltimore's youth on the pathway to economic independence and a place in our future workforce."*

*"**You** - enabling CollegeBound to lift the barriers that for too long have denied too many children access to a college education."*
