GUIDANCE COUNSELORS AND  
COLLEGEBOUND  
LEARNING AND WORKING TOGETHER**

COLLEGEBOUND FOUNDATION

**Press Release**

On August 24th, Baltimore's High School Guidance Counselors joined with CollegeBound's College Access Specialists to learn about the latest updates in the world of college access. Experts in the field from the national College Board and the Maryland Higher Education Commission were on hand to make presentations and discuss topics ranging from college admission requirements and college entrance exams to financial aid and related college costs. Morgan State University hosted this professional development and networking event.

This activity was a follow-up to the initial meeting of guidance counselors and CollegeBound specialists which occurred last winter at Pipe Rudnick Gray Cary. More collaborative activities are planned that will foster closer working relationships among these two professional groups committed to serving Baltimore's youth.
