COLLEGEBOUND'S COLLEGE GUARANTEE!

**"BALTIMORE CITY HIGH SCHOOL GRADUATES
ARE GUARANTEED A COLLEGE PLACEMENT"**

COLLEGEBOUND FOUNDATION

Press Release

"Sweat Equity" is defined by CollegeBound as the effort a student demonstrates in meeting college application and financial aid deadlines and the degree to which a student responsibly follows through on completing all pre-college requirements.

CollegeBound's expectation for students on track to earn a high school diploma and enroll in college is simply to conscientiously respond to and take advantage of the guidance and advising being provided by their school's CollegeBound College Access Specialist. In return, CollegeBound guarantees to find a college placement that is aligned with the high school grades and college exam scores a student has earned in high school.

For many students a four-year college is a realistic goal—for others, the right fit will be a two-year college experience which is a pathway to a four-year college degree.

*When it comes to college, no child who displays
CollegeBound's sweat equity will be left behind!*
