Thank you for your application to the CollegeBound Emergency Fund Program. The intent of the Emergency fund is to provide emergency grants for students who experience unexpected financial difficulties. Additional information is needed to determine if you are eligible for funding through this program.

Please describe the nature of your emergency and identify the financial obligation you face due to these unexpected financial difficulties. Please be specific and include the following:

- A description of the expense that needs to be paid, including the cost
- The reason that you are unable to pay it
- How this expense would prevent you from staying enrolled or would hamper your academic success
- And how you will work to address the issue and ensure that this circumstance will not be an ongoing problem
- List all the other means you have exhausted before requesting this fund.

If approved for any portion of the requested amount, bills/cost will be paid directly via check or credit card to the company to which payment is due. Students will not receive payment directly, nor will they receive a reimbursement.
